President's Message

Dear Students,

In the competitive era of 21st century, the future will belong only to those talents who are able to build a strong foundation and have in- depth knowledge and understanding of their professional field. With the ever expanding frontiers of information and knowledge student have to learn to dive deep to harvest the pearls of success against all odds.

In present scenario there are a large number of institutions imparting education. But we have observed that at the same time it is more important to create a good human being, acceptable to society. This idea has led us to establish a Sri Guru Ramdass college of Education for producing efficient and Skilled Teachers for society

Keeping in mind the requirement of society we will impart not only the quality education but also training the students beyond academics to make them a technocrat having good human values and professional ethics.

Students learn to communicate their ideas, solve problems, and various social skills through their active involvement. Every year students are selected for the purposeful functioning of various clubs and committees at our campus.

IQAC: -Internal Quality Assurance Cell (IQAC) is established on the college campus for maintaining quality in academic and administrative areas. The main objective of the IQAC is to achieve excellence in teacher education by preparing efficient, skilled, dedicated social individuals and professionals to serve the nation.

Extension Lectures: - Extension lecture helps to acquire current and up-to-date knowledge beyond a fixed curriculum which helps to make good and progressive change in the learning process for the learner. Every year resource persons are invited to the campus for presented varieties of knowledge and skills.

Financial Assistance: - Every year financial help is provided to needy students by providing free of cost books from a book bank and by giving relaxation in the tuition fee and transportation charges. As per the guidelines of the Punjab Government scholarship scheme is also available.

Hostel: - Hostel is considered a second home for the students. A separate hostel facility for girls and boys is established in the institution.

Placement Cell: - Placement cell plays a very important role in placing students at suitable jobs. Every year large number of students are placed in a reputed institution by the efforts of placement cells.

Art and Craft Resource Centre:-By introducing art and craft in teaching, a teacher can build cognitive, physical, and social development skills among students, which further help to enhance creativity, sharpen skills of decision-making, and boosts confidence, socializing, and self-expression. Keeping in view the artistic skill, we are practicing various teaching learning-based activities

Science and Mathematics Resource Centre:-Science and Mathematics subjects prepare learners for a progressive nation. It provides a framework for how to find answers in the present society. Science and Mathematics resource center is established to facilitate the learners with adequate knowledge about reasoning ability and critical thinking

Psychology Resource Centre:-Every child has a different potential for learning due to individual differences. Educational psychology helps a teacher to adjust his methodologies of learning to the nature and demands of the learner. The psychological resource center provides a good platform for teaching, consulting, and research activities.

Language Lab:-Language acts as a vehicle for educational development and is important for the acquisition of new knowledge. Language Laboratory stimulates the eyes and ears of the learner to acquire the language in a better way.

Health and Physical Resource Centre:- Health and physical education help to provide physical and mental satisfaction. It also develops essential motor skills. This centre was established to teach the importance of physical health. These centres aim to improve human performance and human development through the medium of physical activities within an educational setting

ICT Resources Centre:- Detailed sources and innovative techniques help to make the teaching-learning process effective by providing student friendly environment. It is a social tool in the classroom
