

## **EQUAL OPPORTUNITY CELL**

### **INTRODUCTION**

The equal opportunity cell in a B.Ed. college is constituted to ensure equity inclusion and non discrimination among all students, staff and stakeholders. The cell works to provide a supportive and inclusive academic environment especially for students belonging to SC,ST,OBC, minority communities, economically weaker sections and differently abled learners. The EOC aims to promote social justice, equal access to education and holistic development by addressing issues related to discrimination, academic support and welfare.

### **OBJECTIVES**

- To ensures equal access to education for all students irrespective of caste, creed, gender, religion or economic background.
- To create an inclusive and discrimination free environment in the institution.
- To implement Government and UGC policies related to reservation, scholarships and welfare schemes.
- To address grievances related to discrimination or inequality in a fair and confidential manner.
- To monitor and evaluate equal opportunity practices with in the institution for continuous improvement.
