

FACULTY DEVELOPMENT PROGRAM AND EXTENSION LECTURES COMMITTEE

INTRODUCTION

The Development Programmes and Extension Lectures Committee of the institution is constituted in accordance with the guidelines of the University Grants Commission (UGC) and aligned with NAAC quality parameters. The Committee is responsible for planning, organizing, and monitoring various faculty development programmes (FDPs), student development programmes, seminars, workshops, and extension lectures by experts from academia, industry, and professional bodies. These initiatives aim to enhance academic quality, professional competence, research orientation, and holistic development of faculty and students while strengthening institutional outreach.

OBJECTIVES

1. Professional and Academic Development to enhance the professional competence, subject knowledge, and pedagogical skills of faculty and students through development programmes and expert lectures.
2. Exposure to Emerging Trends and Best Practices to familiarize participants with recent developments, innovations, policies, and best practices in education, research, and professional fields.
3. Research and Skill Enhancement To promote research aptitude, soft skills, leadership qualities, and employability skills through workshops, seminars, and training programmes.
4. Industry–Academia and Expert Interaction to strengthen interaction with experts from universities, industries, and professional organizations for knowledge sharing and collaboration.
5. Holistic and Value-Based Education to support the overall personality development of students by integrating academic learning with ethical values, life skills, and social awareness.
