

LIBRARY COMMITTEE

INTRODUCTION

The Library committee of a B.Ed. college plays a vital role in planning, organizing, developing and monitoring library resources and services. The Library is the academic heart of a teacher education institution, supporting teaching, learning, research and professional development of student-teachers and faculty members.

OBJECTIVES

- To frame library rules and regulations and ensure their effective implementation.
- To support quality enhancement and academic excellence in teacher education.
- To integrate ICT in library services, such as e-books, online Journals, and digital repositories.
- To encourage the use of reference and research materials for lesson planning, projects, and action research.
