

TRANSPORT COMMITTEE

INTRODUCTION

The Transport Committee of the institution is constituted in accordance with the guidelines of the University Grants Commission (UGC) and aligned with NAAC quality parameters to ensure safe, reliable, and efficient transportation facilities for students and staff. The Committee is responsible for planning, monitoring, and managing transport services while ensuring compliance with safety norms, discipline, punctuality, and environmental considerations. Effective transport management supports regular attendance, accessibility, and the smooth functioning of academic and co-curricular activities.

OBJECTIVES

- **Safe and Efficient Transport Services:** To provide safe, punctual, and well-maintained transport facilities for students and staff in accordance with statutory safety norms.
- **Accessibility and Convenience:** To ensure equitable access to transport facilities, especially for students from rural and remote areas.
- **Safety, Discipline, and Compliance:** To enforce safety measures such as valid permits, insurance, trained drivers, speed regulations, and adherence to traffic rules.
- **Monitoring and Maintenance:** To regularly monitor transport operations, vehicle maintenance, and route planning for smooth and uninterrupted services.
- **Environmental Responsibility and Optimization:** To promote fuel efficiency, route optimization, and eco-friendly practices to reduce the institution's carbon footprint.
